## Policy Statement on provider access

Updated January 2018

# **BIDDICK ACADEMY PROVIDER ACCESS POLICY**

This policy statement sets out the Academy's arrangements for managing the access of providers to students at the Academy for the purpose of giving them information about the provider's education or training offer. - to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.
